

2008 – 2009 DVD ORDER FORM

The annual DVD video for the 2008 – 2009 school year will soon be ready for distribution.

Note that two new additions will be available this year . . . First, the DVD will include not only the marching season, but will include the concert season as well on a separate bonus DVD. Second, there will be a “high definition” (HD) option for those of you who want to take advantage of our new HD video capabilities. All 2008 – 2009 recordings were made in HD with 5.1 stereo sound. So if you have a high definition (HD) television / monitor and a Blu-Ray player (or Sony PlayStation 3), you may want to consider getting the higher quality HD set. Please note that the HD version of the DVD will **not** play on a standard DVD player.

This DVD video will only be available on a “pre-order” basis. If you are interested in obtaining one or more copies of the 2008 – 2009 DVD, please fill out the information below and return this form with the appropriate fee (cash or check made payable to AWBB) in an envelope marked “2008 Video”. Completed forms can be dropped in the lock box in the band room or mailed directly to:
